Discover the remarkable true story of a small town that welcomed the world.

Winner of every major UK award for Best New Musical, *Come From Away* shares the incredible real-life story of the 7,000 air passengers from all over the world who were grounded in Canada during the wake of 9/11, and the small Newfoundland community that invited these 'come from aways' into their lives.

As uneasiness turned into trust and music soared into the night, gratitude grew into friendships and their stories became a celebration of hope, humanity and unity.

Awarded the Tony® for Best Direction of a Musical, **Christopher Ashley's** production is brought to life by Olivier Award winning writing team **Irene Sankoff** and **David Hein**.
